### Composer of the Month: **Bobby Cole**

Composer Bobby Cole has an assorted group of tracks in the Freeplay Music Library: Smooth jazz tunes set to the rhythm of the city, punchy kick drums and bass lines with crisp synth patches, and an eclectic collection of light pop/rock soundtracks to add that feel-good touch to your next production. His albums offer a variety of different feels and instrumentations to give you a track with a more custom fit. Please check out his music below!
